# ANOTHER TRIUMPH FOR MANTON AT NEWMARKET

## Blue Lady's Easy Task in Norwich Handicap.

## DILIGENCE WINS.

### Norseman Badly Beaten in Newmarket St. Leger.

The delightful weather for the concluding stage of the Newmarket Meeting augurs well for the big day of sport to-day. Football matches all over the country and the end of the track season at Stamford Bridge are the attractive features this afternoon.

**Racing.**—Blue Lady put up a fine performance in winning the Norwich Handicap under 9st. 7lb. and Diligence won the Newmarket St. Leger for Lord Lonsdale.

**Lawn Tennis.**—Mrs. Peacock and Miss McKane qualified for the final of the women's singles at Roehampton and W. C. Crawley and A. H. Fyzee for the men's final.

## BRILLIANT BLUE LADY.

### Defies Big Weight and Scores Easily—Alexandra Park Selections.

Another triumph for a Manton filly—this time Blue Lady—and the failure of Norseman, the Newbury Cup winner, in the Newmarket St. Leger, were the outstanding features of yesterday's concluding stage of the First October Meeting.

Mr. Somerville Tattersall's luck with the fillies leased from the executors of the late Lord Manton has been extraordinary. Lady Juror, Two Step, Tetrabbazia, and Sister-in-Law have all done handsomely, and in winning the Norwich Handicap under 9st. 7lb. Blue Lady scored her third victory in her last four attempts.

Chartered on the strength of a good show at Newbury, was backed as the big danger to the Manton four-year-old, and as Vindictive also found a lot of favour the winner was easy to back, while at the same time always keeping her position as favourite.

**SELECTIONS FOR TO-DAY.**

**ALEXANDRA PARK.**

1.15.—KATE HARDCASTLE.
2. 0.—VERNE F.
2.30.—TINSPEAR.
3. 0.—DANE'S VOE.
3.30.—DALBLANEY.
4. 0.—THELMA.
4.30.—ROLLER.

**CATTERICK.**

1.30.—FULNECK.
2.30.—ALIGNMENT.
3. 0.—RECESS.
4. 0.—CARPATHUS.

**DOUBLE EVENT FOR TO-DAY.**

*DANE'S VOE and ROLLER.

Statuary, who invariably shows a liking for the Rowley Mile course, was most prominent in the early stages, and she kept the lead until approaching the Bushes. At that point Chartered went to the front, but he was caught soon after by Blue Lady, who went on to win comfortably by a length.

**NORSEMAN'S DEFEAT.**

Norseman's defeat and the victory of Diligence in the Newmarket St. Leger leaves the Doncaster form more muddled than ever. Before Royal Lancer won the last classic Diligence had tried 14lb. in front of his stable companion, with the result that the winner carried the second colours and all the stable confidence.

At Newbury last week Diligence was well beaten by Soubriquet half an hour before Norseman won the Cup, so Mr. James White's colt carried nearly all the money yesterday, only to get beaten out of a place.

London Cry carried the King's jacket in front for nearly a mile, when the Northerner, Silver Band, took the lead and kept it until reaching the Dip. Then Diligence challenged and beat him easily by three-quarters of a length at the finish.

After two expensive failures, Precious consented to do his best in the Bretby Welter, with the result that the consistent Pandarus was pegged into second place in a good finish.

Santaquest again flattered for a long way, only to deceive at the end that matters. His Excellency also faded away after running well for a long way

**FAVOURITES FAIL.**

Nicotine colt was a big disappointment in the Ditch Mile Nursery. His Doncaster form entitled him to favouritism in a big field, but he was running under pressure nearly all the way, and was well beaten by Benrinnes, Valini and Brown Rajah

Another good favourite in Lapidary went under in the Hadleigh Plate. That race was won by the Duchess of Newcastle's Stone Axe, afterwards bought in for 500 sovs

W. Waugh introduced a nice youngster in Friar, belonging to the Duke of Westminster, in the Rous Memorial Stakes, but he was "up against it" with Drake in the field, and there was four lengths between them at the finish.

Four races of £500 help to make up a capital card at "A.P." to-day. Two of them are "sellers," and the Nursery especially will bring out a big field. I think Verne fill will be good enough on her recent running.

Dane's Voe, although top weight, does not appear to have a lot to do in the September Nursery, and as unreliable horses are usually seen to advantage here Dalblaney might consent to do his best in the Southgate Welter.

**BOUVERIE.**

A. Kirkaldy, who will play in exhibition golf at Hendon Club to-morrow.

Rance, who will make his debut for Q.P. Rangers at Brighton to-day.

## ANOTHER FIGHT FOR SIKI?

### Statement That He Will Appear in New York in a Month's Time.

Tex Rickard, the American boxing promoter, announces that "Battling" Siki has accepted his invitation to box in New York City at the end of next month or the beginning of December. His opponent will be any light-heavy-weight Richard selects, states Reuter.

Major Wilson, however, informed *The Daily Mirror* yesterday that he has definitely signed up Siki to meet the winner of the Beckett-Moran bout on November 23. It would appear that Rickard will have to wait.

## MRS. GAVIN IN FINAL.

### Englishwoman's Success in American Golf Championship.

In the semi-final round of the United States women's golf championship, played at White Sulphur Springs yesterday, Mrs. W. A. Gavin (Huntercombe, England) beat Mrs. H. Arnold Jackson (Onwentsia, Chicago) by 5 and 3. Miss Glenna Collett (Rhode Island) beat Miss Edith Cummings (Onwentsia, Chicago) by 2 holes.

It is a happy augury for England that within a few months Mrs. Gavin has been in three national championship finals, and that she won the last in which she appeared—the Canadian championship.

## ANDRAE' IN LONDON.

### Prince's Caddie in Exhibition Golf Matches at Hendon To-morrow.

Andrew Kirkaldy, the famous St. Andrews professional, who acted as caddie to the Prince of Wales this week, will take part in exhibition matches at Hendon to-morrow.

The other players will be Harry Vardon (South Herts), Edward Ray (Oxhey), and the local professional, C. Bradbeer.

## NORTH LONDON GOLF.

### James Braid and His Son in Partnership at Muswell Hill.

On the Muswell Hill course to-day James Braid, Edward Ray and Harry Braid will appear in exhibition matches.

In the morning James Braid and R. H. Howie, the club captain, will oppose Ray and Tickle, the club professional, in a four-ball match, and in the afternoon there will be a four-ball match and medal round, in which James Braid and his son Harry will oppose Ray and Howie.

## OTHER SPORT IN BRIEF.

### News Items and Gossip About Men and Matters of the Moment.

**Flechois** was scratched from the Cesarewitch at 9 a.m. yesterday.

**Alf Simmons** knocked-out Tommy Phillips in the first round at Bow last night.

**L. Savage** (Lloyds) won the London Banks quarter-mile swimming championship at Lambeth last night, in 6m. 12 4-5s.

**Boxing at the Ring.**—The leading contest at the Ring to-night is of fifteen rounds between Joe Davis (Newcastle) and Jack Blackbourn (Newport).

**Lawn Tennis Finalists.**—Miss McKane and Mrs. Peacock are the women's singles finalists at the Roehampton lawn tennis tournament. W. C. Crawley and A. H. Fyzee are the men's finalists.

**Cesarewitch Prices.**—100-9 Sanhedrim (6), 100-8 t. v. 100-9 Charlebelle (c), 100-8 Ceylonese, Ballyheron (t. o), 100-6 Flamboyant (o), 20-1 Flint Jack (o), Halberdier, 22-1 Double Hackle, 25-1 East Tor, Bumble Bee and Herod Philip

**To-day's Matches.**—Although the majority of hockey clubs will not open the season until next Saturday the following matches are scheduled for to-day:—Teddington v. Staines, Hendon v. Surbiton, Bromley v. Richmond, Dulwich v. Wimbledon, Cheam v. Spencer, Chingford v. Aquarius, Guildhall v. Bank of England.

## BLACKPOOL AT THE DELL.

### Southampton Satisfied—Fulham's Chance Against Hull.

Chief interest in the Second Division games this afternoon will centre in the return match between Southampton and Blackpool at the Dell. The Saints appear to have struck their proper form at last, and it seems likely that they will take a deal of stopping now. As is only to be expected, they are making no changes for to-day, but Blackpool are reshuffling their team. Taking a line through their form of last Saturday, Southampton should not have much difficulty in gaining both points.

* * *

**Fulham at Home.**—Fulham are the only London Second Division side to perform before their own supporters and they should manage to turn the tables on Hull City. The Cottagers may have McDonald back in the team, but Symes will deputise if the Scotsman is not fit. West Ham, whose home defeat by Stockport County was one of last Saturday's several sensations, may prove how wrong that form was when they meet the ex-Third Leaguers at Edgley Park. The Hammers' only change will be in the forward line, where Burgess will displace *Robinson on the right wing.*

* * *

**Orient's Alterations.**—Clapton Orient are due at Hanley, and they have made several changes for their return match with Port Vale. Duffus, the ex-Dumbarton player, who made a good impression in the "friendly" with the Arsenal on Thursday, will lead the attack in place of J. Tonner, who displaces Bailey at inside right. Townrow will reappear at centre half, Galbraith will displace Rose at right half and Rennox will operate at inside left in place of Bratby.

* * *

**New Leaders?**—Barnsley, who at present lead the division on goal average, may be displaced by Leicester City to-day, for while the Yorkshiremen have a stiff away fixture with Derby County the Midlanders are at home to Crystal Palace, whose form so far has been far from convincing. Leicester will have Duncan for J. Roxburgh and Tompkin for Trotter in their forward line. Manchester United's defeat at Coventry was very unexpected, and the Old Trafford team should not have much difficulty in gaining revenge to-day.

## BRISTOL CLUBS MEET AGAIN.

### Will the Rovers Accomplish the Double? Rangers at Brighton.

The big match in the Southern Third Division to-day is the return game at Bristol between the Rovers and the City on the former's ground. The Rovers won at Ashton Gate last week and on that form they should win again by a comfortable margin. Another good game is the meeting of Swindon and Luton on the former's ground, and the advantage of playing at home should give the Railwaymen the points.

* * *

**Rance for the Rangers.**—Charlie Rance, the old Clapton, Tottenham Hotspur and Derby County player, will make his debut for Queen's Park Rangers at centre half in their match at Brighton. The Green and Whites ought to get a point. Millwall journey to Aberdare and are making no changes for their match with the Athletic. A division of the points in this game, too, seems a very possible result. Brentford are at home to Northampton and Morris will lead their attack against the Cobblers with Johnstone on his left.

* * *

**Richardson's Return.**—Richardson will return to the Plymouth team for the home match with Reading. The Argyle, however, will be without Bowler, who is kept out of the side with a deep wound over the eye. This looks easy for the home team. The other Devon team, Exeter City, are away to Watford, who should finish comfortable winners. Southend receive a visit from Norwich City and the Seasiders look good for the points.

* * *

**Pompey in Wales.**—It is to be hoped that the return game between Newport County and Portsmouth will produce better football than the previous meeting, when two players were turned off. Pompey have not yet had a goal scored against them, and they stand a good chance of keeping that record intact to-day. Swansea Town are away to Gillingham and may provide the Kentish team with a couple of much-needed points. Charlton Athletic receive Merthyr Town and form points to a victory for the home team.

## LAST OF TRACK RACING.

### Splendid Entries for A.A.A. Walk and Ten Miles.

This afternoon's Amateur Athletic Association's championships at Stamford Bridge will conclude the track racing season, and they should be a great attraction.

In addition to the ten miles running championship, seven miles walking championship and tug-of-war contest there will be relay races over half a mile and two miles.

There are forty-two entries for the running event, and for the walk twenty-nine names have been received, including that of Harold Ross (H.H.H.), the holder; W. Hehir (Surrey A.C.), who was second in 1921 and again last year; and Donato Pavesi (Molina i S.C.).

The two miles relay has also attracted nine entries the clubs represented being Achilles, Birchfield, Highgate, Herne Hill, London A.C., Polytechnic, Queen's Park, South London and Surrey.

## THE STOCK EXCHANGE.

**By Our City Editor.**

THE CITY, Friday.

Markets were uncertain to-day with lack of business rather than pressure to sell as the depressing influence. Kaffirs developed an independent line and improved on new account buying, Rand Mines being 2 15-16, Modder 4¼, Randfontein 21s. 6d., Crowns 2 11-16.

Otherwise nearly all changes were downward. Home Rails were distinctly weak, Brighton A dropping 1½ to 60½, Underground Electric ⅛ to 2¾.

Industrials were all on offer with Bats exception, 84s. 6d., also Debenhams preferred 23s 3d. on the report.

In Oils Eagles eased to 2 15-16 with Shells offered under 4¼.

## TO-DAY'S FOOTBALL.

### Spurs' Weakened Team for Match with the Arsenal.

The return match between the Arsenal and Tottenham Hotspur at Highbury is the tit-bit of this afternoon's League football. Apart from the great local interest in the match it will be interesting to see if the impending inquiry by the Football Association into last Saturday's game will improve the standard of play to-day. The results of that game will be seen this afternoon, as injuries have compelled the Spurs to make several changes.

* * *

**Spurs' Casualties.**—Cantrell, Bliss and Walden, of the Tottenham forwards, are all unable to turn out owing to injuries, and Banks is also out of the game and unable to deputise for Walden. Lindsay will be at outside right, Wilson will lead the line, and Thompson will partner Dimmock on the left wing. The defence will be as usual. The Arsenal will be unchanged, and in view of the weakened condition of the visiting team the Gunners might bag another couple of points, but the Spurs have been at their best away from home this season up *to now.*

* * *

**Chelsea at Oldham.**—Hoddinott will again lead the Chelsea attack against Oldham Athletic at Boundary Park, and as the Pensioners were good enough to win by a four-goals margin at Stamford Bridge last Saturday they should gain a least one point to-day. The Londoners' defence will again be unchanged. Oldham's only alteration is at left half, where Taylor will take the place of Carrick. Hibbert, therefore, again leads the forwards.

## VILLA'S STIFF TASK.

**Tit-Bit on Tees-side.**—One of the most interesting matches in the North is the meeting of Middlesbrough and Aston Villa at Ayrsome Park. The Tees-siders were good value for the point they obtained at Villa Park a week ago, and they should win without difficulty to-day. They will be strengthened by the return of the Scottish international, Marshall, who will resume at full back to the exclusion of Holmes.

* * *

**Cardiff's Task.**—Everton confounded the critics at Ninian Park last Saturday and Cardiff will go all out to reverse that result when they visit Goodison Park this afternoon. The teams are unlikely to differ very much from the sides that did duty a week ago, and the Welshmen may manage to snatch a point. Stoke, who lost at home last Saturday, are unlikely to improve on that showing when they meet their conquerors, West Bromwich Albion, at the Hawthorns this afternoon.

* * *

**Clem Stephenson Unfit.**—Huddersfield Town's team to meet Manchester City at Leeds-road is rather uncertain. Clem Stephenson, the captain, is injured and will be unable to turn out. Wood will resume at left back and Watson will shift to left half. Slade or Steele will fill the right half berth, and in the forward line Johnston and Brown are "possibles." Mann, however, will be unable to turn out. Sunderland will be unchanged for their return game with Blackburn, and should gain both points.

* * *

**Big Game at Burnley.**—Two top-notchers in Burnley and Liverpool are in opposition at Turf Moor. The champions won comfortably by three clear goals on their own ground last week, and while it is unlikely that they will beat Burnley again to-day they may force a draw. Birmingham's stock slumped badly at Bolton last Saturday, and the Trotters should do well in the return engagement at St. Andrews. Brum have already been beaten three times on their own enclosure this season.
