

DOUBLE A RANCH, Anita Poole, 645 Branch St., Tooele, GA

30577.

Hi everyone! Since this is my first stable ad, I'd like to introduce 2 of my best models to you. So onwards to *JOHARA+. She is our best mare & imported from the E.A.O. government stud in Cairo. She has a silky, light grey mane/tail but is otherwise snowy white. This great mare has been shown only a little in the past; but she has never failed to place. She'll be shown in halter, Eng. & costume, as well as races, and only lightly in those, due to the fact she is a very delicate mare & is 20 years old! She is open for foals ages 2,3,5,6,7,8 at a fee of 20¢. All of her foals must be imported because we only imported her in 1976. *Johara is already the dam of several Champions, among those being *Laius, *Tehram, *Jocasta, *Jasar, *Zareska & our own favorite *RAITEZ IV! A 13 yr. old stallion also imported from the E.A.O. although by the great Polish sire *Witez II, he possesses the same snowy white body & light grey points of his dam. He is truly elegant with smooth, light action unsurpassed by any horse here. But for his color, he is an exact replica of his famous sire. In less than a year of showing by us, he has never failed to bring home a ribbon or award from them even though only shown at halter! He has also won numerous Grand Championships & many compliments from his judges, & we have had several offers for him. He is not for sale at any price! And I'd like to thank Lori Manning for selling him to us. At last count he had 19 get, 8 of which are Champions, 6 unshown & 5 just starting in the ring. Why does he do so well? Aside from his natural good looks, take a look at his pedigree below!

His offspring are every bit as elegant & gentle as he is. Although he's not for sale, several of his sons are, see

FUN WITH FOALS Lisa Kirilan, R.R.1, Box 25, Jackson, MN 56143.

Time to hear about some of those sweet things called FOALS! From Candis McCoy we hear about 2 of her foals, first LADY MONARCH. She's a remade/floxed/haired now dap. grey Fam.Arab foal that has a silver m/t & is a TB. She is by the famous Cast Iron Monarch & out of Lady Fire Ruby. She'll start her show career soon & hopefully sweep the classes, because besides having the looks & spirit, her great grandpa is Public Enemy No. 1! FERIBA is a disc. Fam. Arab foal (Muriya x Fersenba) & has 4 stockings & a blaze like his parents. He's been shown lightly getting 2nd, 4th & 5th with poor pix. We'll pick up more foals next time. FOAL POWER! /Q=Must I 'age' my model horse? A=If it's a foal you have 2 options: age it & get an adult model to become 'it', or leave it a set age throughout its life time, your choice. Models usually do not HAVE to age, depends on clubs.

42-44.1 pic. GOOD SHOW, LOW FEE, ENTER! / MODEL TIP: Where to get bits & buckles for your tack-making? A good source of wire to bend for the accessories is plain old paperclips. Unwind them with needle nosed pliers & you've got nice silver wire that can be carefully bent to form the bits. Buckles can be made from copper-coated steel wire too. Use jewelry jump rings for snaffle bits (fake ones) & cinch rings if you like. Wide men's shoelaces make ideal fancy-colored girths! If you'll just look around, you can find loads of materials to use on tack. Tip from LW.

+++++ ATTENTION! ORCLAND SADDLEBREDS is a Division of HIGH RIDGE STABLES. I started using the name ORCLAND for the SB's 6 years ago! Please note! My thanks. Lona Fragasso, 54 Benstone Rd., Stamford, CT. 06905. /ED. The stable listing I've been running every so often has caused several people to note duplicate stable/farm names. But before YOU go and jump on somebody about copying 'your' name, better see how long THEY'VE used it first. Ok?
