The Model Horse Shower's Journal

Hi again! Yes, I'm back! With Barb Call & Lois L. Hanson, too. Here's Barb: "When I got my run. red roan stal., I had quite a problem naming him. So I took a good look at his color & suddenly it reminded me of sand. It also reminded me of the stars & then I had it. You know the run. stal. looks like he's going so fast? Well, so does a comet! Hence my stal. is proudly called SANDY COMET!" Thanks, Barb, especially for the change of pace column—a horse's name instead of a stable's.

This time we have Lynn Erny & her beautiful & gret Breyers. First JOKTAR is a 3 yr. eld blk./wh. leopard stal. He's shown only lightly but in his 1st show, which was the IMRPHA Hal. Champs, he won a Res. Ch. Stal. award! His breeding is Joker's Wild (by Joker B) & out of Tar Baby (Bold Ruler-TB x Chancing-QH). He will start racing soon & is now shown in hal., costume & maybe Western soon. Thanks for writing in, Lynn! He sounds like a beauty, and I hope he continues to do well for you. Until next menth, Happy Breyers to All!

PALOMINOS!! Karen Smith

Hi people! This will be short as it's the night before school & I'm under the hgir drier. We will hear about another of Sue Watts' great A-A!s. ROYAL SABLE is the Brey. PA mare rep. a levely dun w/blk. m/t. She was under the tree last Christmas & hasn't been shown much, but she did enter the 1973 NABSC Champs & came heme w/Champ Mare, Best in Halter, Top Ten u/showmanship, WP, harness & Champ EP. She has a levely dun colt, DUNSA-BLE who is fellowing her hoefprints. This great mare was foaled in '67.

Thanks, Sue, because you really have some top A-A's. Happy showing them!

ED. Note: The professionally-printed ads are disc. due to time, costs & photo-problems. I know you're tired of seeing the same old pix over & over again, but until I locate some soul kindly enough to do us "screens", we must hang on & re-use them.

ED. NOTES: Howdy, time for me to tattle & Rattle a bit. First, I want to say that I enjoyed "hearing" from the live show folks out in Hayward, Ca, So to Jan Snyder, Eorna Krkich, Tami Beall, Trish Yanko, Dee Dee Borna, Katie Arbuckle, Kathleen Murphy & Naney... ENJOYED IT; Wish it could have been longer... Now for an answer as to "why" the Shower's Directory did start in this issue as planned. First of all, several folks are in the tedious process of moving at this time, and rather than mess up people w/ their current addresses, thought it best to wait. Secondly, it would have to be strung out into several issues, and it is not fair to ask you all to buy an issue monthly to get the complete list... This will give in the third place, people more chances to re-subscribe for a longer list. . And finally, after many discussions, I do not know the 'legality of it. In other words, what if someone got the list who did not want their name/address run? Sure, they have had time to write and say "no", but there is always the chance they missed the notices. And I refuse also to give out the list to a company that might use it to sell stuff you don't want (I dislike selling of names/addresses). So; this is what it boils down to; I will run a list, complete, in January. IF you want your name, address, stable name, phone number on it, please send it in TODAY. From the people who write in giving me this info, the list will be made up, but ONLY IF YOU WRITE IN & TELL ME WHAT YOU WISH WILL I RUN YOUR NAME, ETC. That way I am released from responsibilities, and you can have a list too. I hope you will write in, and thanks forreading! Sorry to cause probs...LW

NEW ARRIVALS M Mariene Kosanke, 8123 W . Hargaret In., Familin,

Wis 53132.

We I come aboard our special tour bus! The engine is running & we have alot of farms to visit, so everyone get on him & we have alot of farms to visit, so everyone get on him & we have alot of farms to visit. & et's go...Our first stop is at Denise Nelson's Double "D" Ranch. She shows us around her huge spread & sparkling barns. She points out her new H-R's as we pass through her main barn. Everyone is excited over her beautiful BASHEBA (Old steel grey H-R 'Sheba' B-698)! The excitement is far from over as we now are introduced to her new TB's: KING IMPORT (H-R Kels so), RAY OF FREEDOM (Swaps), AMERICAN GOLD (Man O'War), NEW HORIZON (Terrang) & MRm POSITOVE (Silky Sullivan). It was a treat to see Denise's stables & er new NA's too! ... Back on the bus we admire the scenery along the way. Finally we pull into G aceland's where we are greeted by Pat Ross. Boy, it sure feels good to stretch our legs! Pat takes us on a nice tour & points out a new blk. leopard App family: PEPPER'S SNEEZE (stal.), TIGER LILY (mare) & M.A. 'S SNEEZY (darling colt). She also shows us a magnificent white Lipizzan stal. named NEOPOLITANO PETRA, & *VIOLA II (gr. Peruvian Paso mare) imported from Canada. A whinney comes from a boxstall as weleave her barn, & it's coming from a gr. blanketed 2 Arab App stal. called SNOWSTORM. Guess he just didn't want to get passed by unnoticed... Everyone climb aboard again & let's move on to Pate Stables, owned by Karen Pate. Karen greets our bus & is anxious to show us around, not to mention her eagerness to show off her newest horses. In a paddock we see quite a few beautiful horses just milling around, enjoying the peace & quiet of their surroundings. We all line up along the fence & et Karen point each one out. First there is *CROZALL (Pal. Bes. > TB/> Connemara geld.), snoozing in a corner while MR. BLACKBURNIDO (disc. Brey. char. Mustang used a QH staud) romps w/another old Breyer of the same mold. BO-HEMIAN (Buck.) & RAINBOWS RASTUS (bay Brey. PA colt) eyes a gorgeous 11" Norcrest TB chest. stal. named AGA KHAN. Keeping on their own side of the paddock are the 'ladies', which include ELEANOR RIGBY (br. H-R 703 Morgan mare), GUETITAA (means 'kitten' in Arabic) is a Brey, run, mare rep. silver dap., & CASSIA (wh. H-R 708 Arab mare). Many thanks, Karen, for showing us around & giving us the chance to see your NA's first hand ... Our bus ride is alittle longer this time but I'm sure it'll be worth it. As we drive into Edith Powell's place, we are greeted by a Boston Terrer, blond Cocker Spaniel, German Shepherd & 2 pups (all Norlenas), a wire-haired Terrier, blk./red collie & a Bachman Pointer! Wow! What a welcoming committee! Guess the dogs keep Edith just as busy as her horses do! Edith proudly takes un through her barns & shows us 2 new Breyers, Palo. QH stal. & an El Pastor in her first barn. Further down the way we see some Norleans, SPOTLIGHT (leop. App mare), a Palo. stal., a grey & 2 Napcos which are a Palo. QH mare & foal. In another boxstall we see a Lefton blk/wh. Paint stal. & foal alongside a slip stall containing anotherLeftob (rep. gr. Arab stal.). In a smaller barn Edith shows us a Circle H buck. CH family & a Circle H M rgan stal. rep. chestnut; Raising a fuss in still another barn we see a rep, buck. Aurora jumper, BEARCAT, geld. S anding calmly in a slipstall is an Aurora TB yrlg. rep. black. Boy, Edith sure has some nice NA's & it was really great to see them all ... I guess this day is about over. Better climb aboard for the last time & head for home. Hope everyone had a good time & will return next month! Bye for now!! (Ed. I enjoyed it immensely -- hope others did too!)
