 from Barbara Brown regarding MODEL HORSE TACK: As many of you know, I stopped making tack for awhile due to another job. By the time this is in print, I'll have quit that job. I decided I'd rather be doing something I enjoy so will officially be 'back to tack' Oct. 1st, 1976, doing business as TINY TACK. The tack will be much better than before & am now organized & plan to make tack for at least 3 more years. I'd like to emphasize though, that this tack is NOT junk but is very realistic & the best around. Prices are slightly higher than before but well worth it. Your models deserve to be shown under the best tack. Don't delay, send for our fold-out pictorial brochure today, only 25¢, no SASE req. Send all inquiries to TINY TACK, 607 Benedict Way, Casselberry, Fla. 32707.

SHOWER!! Yes, YOU! Do you love your beautiful original finish model? But you have to admit he doesn't show as well as he could because he's not unique? WE HAVE THE ANSWER!..AND YOU! You know that fantastic repainted model of yours you're so proud of? WE can make him TWICE as fantastic!!

★ WIZARD'S VALE WORKSHOP IS HERE TO SERVE YOU!!★

That's us, we're your 1 & only REHAIR SERVICE. We can give your model that stunning REALISTIC hair mane/tail you've been wanting or needing. I think I can confidently say there are none better than WWV. Nearly 99% of all the models here have hair m/t & we have been doing it for 3 yrs. for myself & friends. They prove themselves in the showing! Any MAKE, MOLD, COLOR, OR BREED CAN HAVE THE ADVANTAGE OF REALISTIC HAIR M/T. If you want to see pix of any mold or breed, etc., we can show it to you. I've Beswicks, H-R's, Broyers & others, all w/superb hair m/t. Also can give you names of several people who own models done by us. Heard of *Lo's Bravos (Champion Paso stallion owned by M.Highwart)? He's an orig. fin. Breyer Paso in bay w/long & flowing black hair m/t. Then there's our own pride & joy, ELDAMAR'S CONSTELLATION (Champion PA stal. orig. fin. white w/WWV white hair m/t). Have you established or future champion added to the list.

THE METHOD: We use the finest fake fur or hair available. It's not all blotched up or clotty & it WON'T FALL OFF A WEEK LATER. Others have had this problem but we, never. It LOOKS real. I put hair right on over the old mane & forelock, leaving no loose ends. It looks like it grew right out of the model. For tails there are 2 ways: for chinas or plastics I can apply hair right to the old tail, or for plastics such as Broyers I can remove the old tail & put on a new hair one with a wire base. This method is really great because you can have it shorter or longer than the old one & it makes for a much-better look. This way enables you to change the position of the tail anytime you want, combed out for 1 pic, blowing for another.

We're really sure this is the place for your model to improve his/her looks. Please write us w/your questions. Prices vary w/each job or model but are fair & low. Write w/your ideas & I'll give you an estimate. DO NOT SEND MODEL BEFORE WRITING TO ME! We can also do a limited amount of excellent repainting, only on request. Don't delay! Write now for a Wizard's Vale Original! Karen Yungkurth, 306 Ridgefield Rd., Endicott, N.York 13760. Was formerly Evenstar Arabians, note new name, Eldamar Arabians.

QUARTER HORSE CHATTER

Linda Schneider

* SHELE SNICKERS

Here I am again with news about more of those good Q.H.'s. First to the King Bar Ranch owned by Becky Hawkins. Becky's top QH is CHURPY LEJON III, the Breyer QH Yrlg. repainted bay. She is named after Becky's late parakeet who picked her out of the Breyer catalog. CHURPY is by JUBLE & out of Kay McCue's good mare, ONE OF THREE. She was a Champion at her 1st show & we all hope she continues her winning ways for Becky..Alice Keener's Oak Grove Stables has only 3 model QH's & 1 live one, but she likes this breed best of all. Her 3 models are the Breyer QH Family: stallion--BULL RASTUS; mare--CHARGER BAR (both named after real horses); & their foal is CHARGING BULL. She says all 3 show well & we wish her much luck with them in the future. That's it for this month. Hope everyone has a HAPPY THANKS-GIVING--and alot of QH's to ride! Bye.

* 'That's Cute. One minute she's striving for realism, then THIS!! (Sue Sudekum)

Welcome to Shady Oaks!

HI, ALL! I'm a rather new shower showing only a few months, but I'd like to take this chance to introduce you to a few of my 'herd'... First here's 1 of my favorites:

*MIRAGE

(IMA BEE--B. Sumser owner x TOLAN LEO ROSE--real horse)

Why is he so special? He's my first Boswick, the Quarter Horse ib bay! He is 8 yrs. old & presently shows in hal., EP, WP & Trail. Later he'll be shown in roping & barrel racing. At his very 1st show he was Grand Champion, plus his placings were 1st-7, 3rd, beating several well-known Champions. As you can see, he's on his way to a brilliant showing career!

I'm almost bursting with pride over the purchase of TEJAS PALE FACE, because as many of you know, he's a multi-Champion Paint stallion. I'm grateful to G. Venator for selling him to me!... LEO SLASH is my newest & most promising QH stal. He's a Brey. Adios rep/rem a beautiful dk. chestnut w/hair m/t. He will soon hit the showing, so watch out!... RUSLTER'S SANTIAGO is a Brey. Adios rep. leopard App, shown in hal., WP, Trail & Harness. At his 1st show he won 1st-2, 2nd, 4th, 5th, 6th & was named Judge's Choice. As his name implies, he is sired by D. Dildine's 'The Rustler'!... FARAA'S SILVER WINGS is the PA mare rem. into a flashy trot & rep. dapple grey. Though unshown, with her style she'll go far!... My fav App mare is DUSTY BOUND, the Brey. Perf. App rep. dk. chest. w/ large blanket. She's really gorgeous!... Here I'd like to thank everyone who purchased or traded for models on my previous for sale lists. The (3) money was used to take pix & for show fees. Also a big thanks to Linda W. who runs a great MHSJ!... Also, NONE of my models are up for public service. After they've really proven themselves Champs, they'll be offered but not until then... To clear any confusion on why my address changed so much, I didn't move every month. But when my husband & I moved here, we rented a trailer. Surprise! The owner decided not to rent! There was another, which we took, in the same park. We didn't like it so bought our own. Now we're happily settled in & make no plans to move again. Thanks!

LEFTON LORE Madeline Duntley, 4147 14th Ave. So., Seattle, WA. 98108

Happy Thanksgiving to you all! Dodging wild turkeys comes Anne Haines to tell us of 2 of her lovely Lefties. At Twin Eagle TB Farm are 2 Leftons, the best being *SEAFARER'S GLORY, a chestnut stallion. He's unusual, standing 10 $\frac{1}{2}$ " at cartips & is a lovely chestnut glossy w/4 socks, star/blaze & darker m/t. The number A46 is on his stomach. He was identified as such after a long search. At his 1st show he picked up Grand, plus 2 other Champs & a few 1st's! He then went on to win Hi-Point Horse or Pony 1975 in the Hoosier Model Horse Club & Registry. He shows best in halter but also goes in EP, WP & bareback. He has many, many placings in less than a year's showing.. The other Lefton, SANDALWOOD (*Sea, Glory x *La Belle Reine) is a sandy bay TB colt w/4 socks, star & braided tail, short mane, standing 4 $\frac{1}{2}$ " tall, #H4871. He's unshown but has great potential. Both sound like beauties & both are long disc. I'm sure. Write in if you've got some current info on Leftons or even some older goodies. (Ed. Recently coming to light is the theory that maybe, just maybe, the companies of Lefton, Shafford & Napeo use the SAME molds to make their horse lines. In comparing KNOWN Leftons against others, they are remarkably ALIKE. If anyone can deny or confirm this theory, we'd love to hear from you. Photos I've collected show them identical! Thanks.)

.....
SADNESS hit one of our shower-members recently. Pam Valliere lost some beautiful artwork in a fire at an exhibition. I saw a picture of the Arab head she had done, and what a beauty--gone now. As an artist, I sympathize & I hope this won't prevent you from painting again. Pam won a 1st prize on one piece, so the loss was doubly hard to take. But hang in there! The fire took not only her artwork but that of MANY other fine artists & craftspeople. We're so sorry..(for the 4 artists in our home.)
