

AN OPEN LETTER TO ALL WHO ATTENDED THE 6th MID-WEST
MODEL HORSE CONGRESS, and ANYONE ELSE WHO WOULD LIKE
TO READ..IT! (At Your Own Risk!)

Dear Friends,

I'm stealing my owner's typewriter to pound out a letter of appreciation to you all. I wanted to say HI & THANK YOU to all the new friends I made at Congress as I never realised I was so popular! WOW! You all remembered me from my previous appearance at Congress & as the April MHSJ Cover Model. Although I know it's hard to forget a green & yellow Appaloosa, I still never expected such a reception. My owner, Liz Isham, never believed I had such charisma--& still can't! To those of you I overheard observing me as an 'eyesore', 'stomach-turner', 'Unbelievable' or who just plain laughed when they saw me, well, jealousy'll get you nowhere! But thanks to all who came to visit, talked about me & put me right up there with that Very Important Model *SAKR as I of THE talked about models of the Show!...Before you come to believe that my ego is as inflated as my body, I'd like to thank some Very Important Humans in my life. First to Deb Dildine who gave me my 'unique remake'! Owner Liz Isham who repainted me--and thanks, Mom, for not putting 'Goodyear' on my side! To Linda Walter for supplying me with my own personal copy of the April ish, bringing me to fame, coming to visit me with her cute little mascot who looks like I of MY kind of models, (& who's probably laughing her head off right now (Ed.Cackle..Thanks a bunch, Blimp. I now have a green/yellow/black & white Appaloosa, Pudgoy Blimp running around the stables!). To Marney Walerius who can't look at me with a straight face. Judy Sturm who supplied me with my own bale of hay, & the MANY, MANY others who came to visit & talk about me! Also, thank you to the Holiday Inn desk clerk who asked that now-famous question, 'May I please see that GREEN horse?' To answer the ?? of 'Will I be back next year?', the answer is YES. I'll be back to Congress w/the rest of Glengarry as I'm their only mascot, & VERY lucky Good Luck Charm! I'll also be showing, so watch out there! I'm out to bring home a ribbon this time! For those poor, uninitiated souls out there asking who is writing this, my name is the GLENGARRY BLIMP, a bloated rep/rem green/yellow Appaloosa, & many say I'm my owner's best repaint (is that an insult?). I've had my say now so will take a long winter's nap. Thanks for reading! Have a nice day & take care. Special HI to TSH! Do you think I could get a part in 'SW'? See you ALL at the 1978 Mid-West Model Horse Congress!

HOOFING WITH HARTLANDS (Laura Hornick, see ads)

Becki Bell came to visit stating she has 20 large Hartland's! The best is her gelding GOLDEN QUARTERS WORTH, the Hart. Regal Series buckskin QH, a 6 yr. old & Grand Champ. Her other favorite is the SOF repaint App Mustang shown as a mare, BEST AGAIN. She likewise is a Grand Ch... There are many Horse/Rider series creations, and to help you identify some of them, thanks to D. Brackett, we have a new listing here. #806 & #802 are two old favorites, being the ROY ROGERS & DALE EVANS models. Roy is astride his faithful Palomino 'Trigger', which is in a rearing position. Dale is mounted on a cream colored dun w/black points correctly named 'Buttermilk'. Matching this set was a German Shepherd, 'Bullet'... The next two are #801 & #805, the LONE RANGER & TONTO. Again the LR is mounted on a rearing horse (same mold as Trigger), only this animal is white & named 'Silver'. Tonto is astride the same mold as Dale near as I can tell but this 1 is a Pinto. The Lone Ranger is dressed in the traditional blue & black while Tonto is in buckskin with black gunbelt, silver trim, etc... A number in between these is #804, SGT. PRESTON OF THE YUKON. Dressed in a scarlet tunic on a black horse, he is authentic to the last detail. A beautiful silk Canadian flag was held in 1 hand, and the horse appears the same as the Buttermilk & Scout horse. More next issue!
