THE MODEL HORSE SHOWER'S JOURNAL

Sept. 1977

Hello again from the Sunny South! Got back in from the Congress and will report on that wild time next issue, but first let's get this issue out of the way (?). Please note the deadlines on page 2 as I'm trying to get issues speeded up & out faster. If there's room on a later page will discuss in brief the MHSJ New Shower's Only Show results/thoughts/comments, but if not, see you next time. Several ads this time were cropped from their mixed up appearances, so if your ad appears in several places, you will know the editor's scissors got ya. See you all at the shows! BYE! IW

LEFTON LORE by Madeline Duntley Ahhh, summer is going & Lois Bennington is waiting patiently in a field with 2 of her Leftons. Verhalen Stables actually has a whole shelf filled with Leftons but her favorite is AL MARAH RASEYN, an 8" walking white Arab #H2211. This 7 yr. old stal. places consistently in his classes & is a multi-Champ, being the 1975 LCR High Point Stallion. Also here is RESEMBLER, an older Lefton #H164, who surprised Lois by being the 1975 LCR High Pt. Gelding! The 5" bay is in a fiery walking position & was mainly raced. She has some beauties, & thanks, Lois...Lisa Myers' LEPRECHAN VANITY is a '69 Saddlebred stallion rep. br/wh Pinto, now a Multi-Champ. LEPRECHAN JENNY is the scarce Lefton donkey in a trotting pose & bay in color, which shows quite well. Anyone know further about the Lefton donkeys? How old? Thanks!
