 Ruth R. Diercks Today we wish to thank Patty Mc-Queen for her informative letter on the Hong Kong copies of the German Steha line. She has 2 like mentioned, TB-like, one being a tannish color w/sort of hair m/t & Stehan-like eyes. The other is a very nice dark br. with furry blk. m/t & again the copy eyes. Patty has both the original Stehas as well as the copies & they are hard to tell apart! The Steha is medium brown, br. hair m/t. & is heavier & flocked better than the HK however. She also has a flocked HK rearing model in reddish-brown with grey/black furry m/t, but the eyes are not Steha-like though, being small plastic dots circled by white paint. Thanks, Patti! Your letter was VERY helpful. We'll continue the HK horses in a later letter, but if any of you have additional info, send to 421 Main St., Bristow, Ia 50611.

my jumps & ca-
about it, I
Classic
jump

THANK YOU to all who've placed orders for valettis. Everyone seemed so enthusiastic decided to increase the selection for the sized horses plus am now offering a new for them. It's called the BRUSH JUMP & it's truly an original piece of work. It takes some time to construct it due to the fact it is done in steps, but like all my obstacles, much time & care goes into each one. The BRUSH JUMP is green w/yellow stripes on 1 side & natural finish stain on the other. There is a top flat rail in yellow. The greenery is fitted in between as in illustration. I liked the first one I made so much I decided to keep it! If you'd rather see a photo, send SASE & I'll be more than happy to show you one...I'm still offering my COOP JUMP for Trad. horses, each made a bit different than the other. See list below for available objects:

POLES FOR POLE BENDING: red/wh, blue/wh, 50¢ each Trad., 30¢ each Classic
COOP JUMP: red/wh, or blue/white for Trad., \$6.
BRUSH JUMP: Top flat rail removable, \$6. ADD 50¢ post.
CAVALETTIS: 5 in set, same color selections as above, \$4. for cavalettis or poles.

Add \$1 post. for jump orders. If you order both 1 small obs. & jump, post would be \$1. Figure accordingly. Am working on a gate which should be perfected by the time this is out. Ask about it! SASE w/all inquiries.

HISTORIC HAGEN-RENAKERS! Marlene Kosanko, 8123 W. Mar

Welcome back to the wonderful world of H-R's! This time we've a very exciting OLD mold to discuss, namely the RARE Turning Arabian B-621 'ABU FARWA' who is owned by Ellen White. This fantastic Arab is white with very good detail & is in a turning pose with tail flowing out behind & most of his mane flowing out on the left side. This mold was made in Monrovia from 1955 to 1957 & originally sold for \$5. Today he is recognized as quite rare & is highly sought after by serious H-R collectors. Ellen was most kind to send me a photo of this lovely model & believe me, he is a sight to behold!.. Michele Evans also wrote in about another 'oldie but goodie', the famed B-705 TWH 'Roan Lady', renamed by Michele COLLECTORS ITEM, a name that truly fits! Item is lt. gr. w/blackish m/t & blue ribbons in her mane. Her eyes are 2-toned in blk./rust. The B-705 RL was made from 1959-1960, 1966-67 & once briefly in 1970-1971., in grey, white, doeskin/buckskin, price \$5. The early ones were white with tri-color eyes--simply elegant!
