Buckeye Springs Ranch

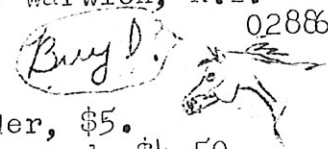

Home Of Fine Quality Model

Morgans & Standardbreds..

ANNOUNCES its short, temporary shut-down....BSR & its divisions, Buckeye Springs Morgans, Buckeye Springs Arabians & Buckeye Valley Stud Farm, will be closing down business for awhile this summer. Due to an extremely busy 'away from home' schedule, the ranch will cease showing, racing & public stud operations during August & the first 2 weeks of Septemeber. During the first week of Aug. our ski club planned a conditioning In the spring I was selected to play B flat clarinet in the All-O-hio State Fair Band which plays at the Ohio State Fair Aug. 16-27, so I have to live on the Fairgrounds in Columbus for 18 days. Since I won't be home I won't have time to show or race my models. Then the next 2 weeks will be spent getting ready for school & marching band rehearsal. Therefore the ranch must close down. Hope you'll understand if it takes longer than usual for replies. Please lookfor our 'after the busy season' ad. We have 4 new stars rising we want to introduce to Journal-Land, so look for *Rockledge II, Three Star Miss, Roll The Dice & *Abraxas! Thanks for reading..Cindy Cozad, 1441 S. Thanks to all for riding my way w/letters. Sepcial thanks to Marlene Penuela & Michelle Qviat for identifying the Feb. models as Napcos. Also here is some info I requested c/o Sandy Tomezik. MORWON was a German sculptor who came to the USA as an immigrant in about 1933. Most work was horses & dogs & came out during the '30's & '40's selling from \$2-\$5. At last report he was working in the Chicago area with work prices then ranging from \$25 on up. Look for somewhat chunky animals & you may find you own an unusual Morton Studio creation! They were tagged by his name & now command, depending on breed, upwards of \$5 an animal.. More on the Napco just mentioned. Just found another report on it, & some folks think it's an old Lefton while others disagree thinking it a National Pottery Company of Japan creation. Whatever, thanks to ALL the wonderful people sending in their ideas! It helps! Next month, an antique beauty. =28 =
