Okay, Gang, I've been out of showing for well over half a year but I've decided it's time I GET BACK IN! I'm jumping in with all 4 hooves..er, feet, & I need some HELP in several areas...I've given my herd a going-over & am getting rid of models not fitting my standards & have been re-painting/remaking alot of others & they've got to show. This brings up area #1: I'd like ANY suggestions, hints & comments on how to get set up backgrounds, getting good clear pix & the likes. My brother loaned me his 35mm camera on the terms I pay for film & developing, so I am going to experiment in this field. I've a good many questions on the subject so if you volunteer don't say I didn't warn you!..I also need only top-quality parents for my new herd. Some have parents, others have 1 or the other, but the vast majority have nothing. I'll lend pic of my own for your inspection if you wish, but I'm picky too, & want to get only good s/d's in: Arab, TB, App, Paint, Morgan & Sad. lines..While you are shipping in tips & s/d lists, can any of you tell me how to keep organized records? I've tried several methods & most failed miserably. Ideas?..I've a great many MORE questions so if you think you can help me, WRITE? I've most of the basics down but I'd like to touch up on some techniques. Will refund stamp if you like. I'll pay postage on my end. So all you esperts out there, my herd is in need of some questions. Thanks muchly! Keren Hofman, 1156 Grand Ave., Delta, Colo. 81416. Thank you.

INTRODUCING... THISTEE BERRY STABLES! We are new in the business

of model horse showing & would like to let you know we are out here! To let you know we are not an ordinary run of the mill stables, here is a little description of us. We have 48 registered horses: 16 purebred Arabs, 9 half-breds--guess what breed we specialize in? The rest vary from Shetlands to Saddlebreds to Mustangs. We're always ready to sell, trade or deal so if there's a certain horse you want or need, let me know. Maybe I'll have it. I can't really start showing until fall but when I do I hope we make a name for ourselves! To thank everybody out there in Model Land, here is an offer you can't refuse. Write & ask for our sire/dam list, include SASE, & for up to Oct. 17th you can use as many sires/dams as you want, for free. All horses are good so you better hurry before they get in demand. I'd also like penpals, any kind but especially those with discontinued horses. Thanks for reading! Mary Alice Sitts, 5522 Phelps Luck Dr., Columbia, MD 21045. Model Horse Showing For-

**THE BRUMBY:** What is the Brumby? It is a breed of wild horse living & roaming in the mountains of Australia. They are hardy, tough & durable, and it is a proud breed versatile in the show ring or at the races! Would you like to own, or do you already own, one of this proud breed? Now there is a registry for Brumbies where your horses can race, show & earn points towards national titles & honors... Registry in the INTERNATIONAL BRUMBY HORSE ASSOC. (IBHA) is 1¢ per horse (no certs), enclose 1.name 2.date foaled or age (if foal mold) 3.mold/no. 4.sire/dam (would prefer you not use your own, I've Brumbies here you can use free of charge) 5.owner's name/address 6.color: blk, br, bay, sor., chest., roan, Palo, gr (only 1 more grey may be regis. this year as grey is a rare color in Brumbies & I'd like to keep it that way), white (same as grey). These rules will apply to '77 only, then in '78 will accept 2 of each color more...When you register, you'll receive a complete list of registration rules, point system, honor titles, approved classes/rules. I'd include them but there's not room. Register & breed those Brumbies! Write! Laura Nelson, 3100 W. Radcliffe Ave., Englewood, Colo. 80110. BYE!
